

## Isaac Chung

Isaac (above) and with older sister, Imelda (below), taken on a short family break to Budapest back in 2007. Imelda also passed her Grade 8 with me and, following university, now works as an accountant in London.

Whilst Isaac is an accomplished musician, he said from an early age that he wanted to become a doctor, and is now embarked on a degree in Medicine. He is now engaged to a fellow medical student. His eldest sister Isobel, whom I didn't have the pleasure of teaching, is a qualified engineer, and currently works in Dubai, with her husband and young son.

Mum, Olivia who, with used to run a Chinese Takeaway in Chaddlewood, Plymouth, has now also passed Grade 8 Singing. She has recently relocated to Surrey.

---

Here are a few views of Isaac's design for a *Yamaha* piano, created whilst on a school Work Experience at *Fine Tubes*, a specialist manufacturer of precision metal tubing in stainless steel, nickel and titanium alloys, based in Plymouth:
